GENERAL INFORMATION

1. Whenever the terms left and right are used, it should be understood to mean from a position facing in the direction of travel.
2. The letters in the column headed «CODE» refer to machine serial numbers in the footnotes.
3. The «N.B.» column lists special information concerning the part.

ORDERING PARTS FROM YOUR DEALER

To prevent delay, always provide the following information with your order:

1. Model and serial number of the machine.
2. When applicable, model and serial number of the engine or header.
3. Part number, description and quantity of the parts required.

MACHINE DETAILS

For quick reference, record the details of your machine below:

Serial N° base unit:	Header serial N°:
Header width:	Engine serial N°:
Engine model:	Tyre size : Front
Ignition key N°:	Rear
Date of putting into operation:	

Additional equipment fitted to the machine:

.....

ALWAYS USE GENUINE PARTS
