ILLUSTRATED PARTS LISTING

HESSTON ASSURES YOU THE LATEST

You may note an occasional difference between the illustration and an actual part received on your machine or as a replacement. This means you are getting the benefit of a new design improvement made after the release of this manual.

HOW TO ORDER THE LATEST

HESSTON will automatically ship the latest part even though you unknowingly ask for a number that has been replaced. Also, your HESSTON dealer receives an up-to-date parts and supersedence listing every three months. See your dealer with any questions about latest usage.

HESSTON VOUS GARANTIT LES DERNIÈRES NOUVEAUTÉS

Il se peut que vous constatiez occasionnellement une différence entre l'illustration de votre catalogue et une pièce reçue en remplacement ou qui équipe déjà votre machine. Ceci signifie que vous bénéficiez des améliorations apportées sur les nouvelles machines depuis la diffusion de ce catalogue.

COMMENT COMMANDER LES PIÈCES « DERNIER MODÈLE »

HESSTON vous enverra automatiquement les pièces « dernier modèle » même si vous avez demandé sans le savoir un numéro de pièce qui a été remplacé. Votre concessionnaire HESSTON reçoit périodiquement un nouveau listing qui indique les pièces nouvelles et les pièces remplacées. Contacter votre concessionnaire si vous avez des renseignements à demander sur l'utilisation de pièces nouvelles.
