GENERAL INFORMATION

1. Whenever the terms left and right are used, it should be understood to mean from a position facing in the direction of travel.

Translation: Côté gauche = Left-hand

Côté droit = Right-hand

2. The letters in the column headed «CODE» refer to machine serial numbers in the footnotes.
3. The «N.B.» column lists special information concerning the part.
4. Sperry New Holland, a Division of Sperry Corporation is continually striving to improve its products. We must, therefore, reserve the right to make improvements or changes, when it becomes practical and possible to do so, without incurring any obligation to make changes, or additions to the equipment sold previously.

ORDERING PARTS FROM THE DEALER

To prevent delay, always provide the following information with the order:

1. Model and serial number of the machine.
2. Part number, description and quantity of the parts required.
